Welcome Aboard, Sabrina!

We would like to extend a big Girls Inc. welcome to our new program director, Sabrina Combs! Sabrina was born in Cincinnati, Ohio and grew up in Osgood, IN. She graduated from Jac-Cen-Del High School where she enjoyed participating in many clubs including drama club and art club where she served as president.

She will be a May 2018 graduate of Hanover College with a major in psychology and a minor in philosophy.

All her life she has loved spending time with her family. She has two nieces with whom she loves to play make-believe games and a nephew who is on the autism spectrum and her inspiration for wanting to work with children.

She is very excited about the opportunity to join our Girls Inc. team as program director!
